

Shinagawa Office

Directions from Shinagawa Station:

Follow the signs for the Konan Exit. When you exit the station building you will be on a raised pedestrian walkway. Walk diagonally left across the walkway and down the steps to street level. Walk down the street heading away from the station for one block, until you reach a Lawson's convenience store on your right. Turn left and walk down the tree-lined street. There should be a small park/open space on your left and a Kokuyo Showroom on your right. We are on the 5th floor of the black A-Place building on the right, just past the Kokuyo Showroom building and just before the large Sony building.

6 minutes' walk from Shinagawa station (Konan Exit 港南口).
